Recurring payments will make paying rent easier:

- It's convenient – saving you time and postage
- Your payment will always be on time, eliminating late charges for successful transactions

Here's how recurring payments work: You authorize regularly scheduled charges to your checking or savings account. You will be charged the amount indicated below each billing period. The charge will appear on your bank statement as "Electronic Withdrawal Nebula". You agree that no prior notification will be provided unless the amount changes, in which case you will receive notice from us at least five days prior to the payment being collected.
